

Grass Mat Cable Tie 200mm Long

Product SKU:	1001722
Material:	Nylon
Colour:	Black
Length:	200mm
Width:	4mm
Thickness:	2mm
Operating Temperature Range:	-35°C to 85°C

Securely interconnect your grass mats with our durable and weatherproof Grass Mat Cable Ties, measuring 200mm in length for a reliable hold. Ideal for various applications, their black color seamlessly blends into outdoor environments, enhancing the aesthetic of your landscaping projects.

Key Features:

Ensure your grass mats remain securely interconnected with our premium Grass Mat Cable Ties. Designed for durability and reliability, these weatherproof plastic ties offer a robust solution for maintaining a seamless and professional finish in various applications. Measuring 200mm in length, they provide a secure hold, making them ideal for joining multiple grass mats together without compromising stability. Their black colour blends seamlessly with your outdoor environment, enhancing the aesthetic appeal of your landscaping projects.

Applications:

The versatility of our Grass Mat Cable Ties makes them suitable for a wide range of applications, including:

Playground: Create safe and secure play areas with grass mats that stay in place.

Entrance Mat: Ensure a welcoming and tidy entrance by keeping grass mats firmly attached.

Anti-Fatigue: Enhance comfort in standing areas by securely linking grass mats for a cushioned experience.

Walkway: Design attractive and stable walkways with grass mats that remain connected and easy to navigate.

Landscaping: Achieve a professional look in your garden or outdoor space by using these ties to maintain the integrity of your grass mats.
