Polymax CIRCA Premium Tiles, the ultimate flooring solution that combines sleek design with exceptional functionality. These premium tiles are made to enhance the aesthetic appeal of any space while ensuring safety and durability.

Key Features:

Stylish Design: The Polymax CIRCA Premium Tiles feature a modern and elegant appearance, perfect for any interior décor.

Safety First: With anti-slip properties, these tiles provide a secure surface, making them ideal for high-traffic areas like kitchens and bathrooms.

Versatile Material: Made from fire retardant, scratch resistant, and recyclable materials, these tiles are designed to withstand everyday use while being environmentally friendly.

Cost-Effective Flooring Rolls: For larger spaces, consider our flooring rolls that offer a seamless finish with fewer joints, enhancing both aesthetics and functionality.

Applications:

Kitchen Flooring: Upgrade your kitchen with our vinyl tiles, designed to withstand spills and provide a stylish, practical surface.

Bathroom Solutions: Our bathroom rubber mats and flooring are ideal for wet rooms, ensuring a safe, slip-resistant environment.

Walkways and Changing Rooms: These tiles are perfect for high-traffic areas, providing a durable and anti-slip surface that maintains safety and style.
